- We had a great Bull Sale

Thanks to all of our buyers and contending bidders

- Calving has wrapped up

Calving went well - a good time for a drought

We had 9 sets of twins

We had two Embryos split - double bonus

Calves look great

- Bulls have been delivered

Even with high fuel costs we look forward

to delivering bulls and visiting with buyers

- Getting things lined out to start A.I.

This is the first newsletter put out by Lassle Ranch Simmentals to keep our customers and friends informed as to what is happening at the ranch.

Our hope is to put a newsletter out every couple months with updates and interesting news.

If you have any ideas of what you would like to see, please drop us an email.

We would like to thank all of the contending bidders and bull buyers for their confidence in our program. Your support is greatly appreciated.

We went through the winter dry. Since the first of May we have received close to three inches of rain. The grass is starting to turn green and the country looks good.

The following calves really look good: Bennet Total; Emblazon; LRS Limelight; LRS WCS Master Design, Dakota. Clay is looking forward to watching the calves grow and come on.

In the planning stage, dates yet to be decided - Eastern Montana Simmental Tour sponsors Beggar's Diamond V, Nelson Livestock Co, Skillestad Ranch Simmentals, Lassle Ranch Simmentals. We will keep you informed as details become available.
